Vision

"Empowering Global Learning, Transforming Lives"

Our vision is to be the driving force behind a global educational revolution, where students around the world can effortlessly explore, pursue, and succeed in international universities. Simultaneously, we aim to be a beacon of hope for underprivileged girls, opening doors to a brighter future through education.

Mission

To redefine the world of education by offering a seamless and inclusive platform that empowers students and uplifts underserved communities.

About Five Nine consultancies

Since inception in 2011, Five Nine has been on a relentless mission to connect students globally with universities that resonate with their aspirations. Our remarkable journey has crossed continents, encompassing vibrant destinations like Australia, Canada, France, Switzerland, and the UK. We are known for nurturing authentic relationships that prove beneficial to both students and partner institutions, shaping brighter futures together

Our network extends across the globe, linking academic brilliance with esteemed institutions. In the UK, we stand beside prestigious names such as the University of Cumbria, Study Group, and University College of Birmingham. Our journey in Australia is marked by alliances with institutions like IIBIT and Holmes Institute. With pride,

we represent College De Paris FIGS Group and other renowned institutions in France. The latest revolutionary initiative is "Younggrads," a visionary AI-powered initiative uniting students and universities for a noble cause. With each student enrolment, we actively contribute to underprivileged girls' education, a commitment lauded in media circles and society alike
